EXECUTIVE SUMMARY

Because I am in the people business, I possess expertise to assist individuals in overcoming their trauma. I am a resolute, adept, purposeful, and highly accomplished *Mental Health Professional* with an extensive, proven history of success. I demonstrate competence in assisting all levels of mental health counseling, life coaching, advanced communication, and active listening skills. My S.M.A.R.T. goal is supporting the principles of 21st Century cutting-edge professional counseling, life coaching, and consultation with impeccable social interaction savvy. My abilities display an initiative-taking work ethic with affirmed enterprise and dedication. I thrive in a creative atmosphere of organized goal setting with the ability to operate in a collaborative environment or an individual setting. I am a visionary leader known for excellent problem-solving, counseling, and exceptional communication proficiency.
